Director of Recreation

JULIA BERARDINELLI
Secretary

The Southington Recreation Department is pleased to offer a variety of recreational, educational and entertaining programs for both children and adults alike. Many of our programs are limited to Southington residents only due to lack of space availability. Because the Town of Southington does not have a Community Recreation Center, we must utilize the schools for the majority of our programs. Programs held in schools will be cancelled in the event of school evening activities or school closings due to vacation or inclement weather.

All activities, dates, locations and fees are subject to change. This document is intended for use as a general guide to activities available throughout the year. Exact program occurrence and registration dates will be posted in local newspapers, on the Town website at www.southington.org/Recreation, and on Facebook at www.facebook.com/SouthingtonRecDept.

Please call the office at 860-276-6219 with any questions. Regular office hours are Monday-Friday, 8:30am-4:30pm (closed at lunchtime, typically 12:00-1:00 pm).
