

Ordinance Review Committee

Minutes

Thursday, June 4, 2015

Attending: Town Manager; Town Attorney; Captain Palmieri; Chris Palmieri; Cheryl Lounsbury; Councilwoman Dawn Miceli, members of the public.

The meeting was called to order at 5:00 p.m. and a quorum was determined

Blight Ordinance:

The Town Attorney reviewed the town's current Blight Ordinance. Two citizens, Ruth Aubin and Dale Deckert, discussed current blight situations existing in their neighborhoods. The Town Manager, Town Attorney and Police Department are aware of these situations and have been working on them. Both citizens suggested that the town research surrounding towns to see if removing "viewing blight from ground level" would strengthen our ability to enforce our ordinance. The Town Attorney agreed to do so and will report his findings directly to these citizens as well as to the committee.

Trash Pick-up:

Chris Borowy stated that garbage pick-up in his neighbor is happening as early as 4:00 a.m. It is noisy and is a disturbance to the people living in the area. The Town Manager noted that several of the garbage drop off sites have been closed down temporarily and this has caused the garbage carriers to begin their routes earlier than usual. It was agreed that the Town will host a meeting between garbage carriers and the public at a date to be determined.

The meeting was adjourned at 5:55 p.m.
