COMMERCIAL MOTOR VEHICLE EXEMPTION CGS 12-81(74)

In order to qualify for exemption as a vehicle used to transport freight for hire under CGS §12-81(74)(A)(i), the vehicle must:

- 1) be new, meaning the vehicle's equitable or legal title has never been transferred by a manufacturer, distributor or dealer to anyone other than the owner making application for this exemption;
- 2) be used exclusively for the interstate or intrastate transportation of freight for hire; and
- 3) have a gross vehicle weight (GVW) rating in excess of twenty-six thousand (26,000) pounds.

In order to qualify for exemption for vehicles with a GVW in excess of 55,000 lbs. under CGS §12-81(74)(A)(ii), the vehicle must:

- 1) be new, meaning the vehicle's equitable or legal title has never been transferred by a manufacturer, distributor or dealer to anyone other than the owner making application for this exemption;
- 2) have a gross vehicle weight (GVW) rating in excess of fifty-five thousand (55,000) pounds, and
- 3) be ineligible for exemption under CGS §12-81(74)(A)(i) as delineated above.

To apply for exemption, the vehicle owner or registrant or his authorized agent must complete Form M- 65MV and submit it to the Assessor(s) of the town in which the vehicle is subject to taxation. The application must be accompanied by all required documentation and must be submitted by November 1. For each vehicle (motorized and/or towed component), the required documentation consists of:

- 4) Copy of a validated Form H-13 – Application for Registration of a Motor Vehicle and Certificate of Title, as issued by the Connecticut Department of Motor Vehicles (DMV), which has a seal affixed to it and has been date stamped by the DMV in the upper right hand corner;
- 5) a copy of the vehicle's bill of sale or the vehicle's invoice(s); and
- 6) proof of the price(s) paid for any modification(s) made to the vehicle between the date it was purchased and the October 1 List date (sales contract, itemized bill of sale, invoices, etc.).

Applicants who fail to file an application annually, by November 1st, waive the right to the exemption for that assessment year unless they receive an extension of the time to file from the Assessor pursuant to CGS Section 12-81k. Such an extension must be requested from the Assessor who *may* grant an extension until December 15. There is a late filing fee, which *may* be waived by the Assessor. Any person, who receives an extension to file the Personal Property Declaration, shall automatically receive an extension to file the M-65MV and shall not be required to request an additional extension of the filing date for the M-65MV.

Vehicles registered after October 1st, but before August 1st of the following year, will appear on Southington's Supplemental Motor Vehicle List. We will accept the M-65MV exemption application for vehicles appearing on the Supplemental List any time after registration and until November 1, 2010 without requiring an extension of time to file.

An exemption application is required for the first year in which the exemption is requested. If there is no change with respect to the town in which an exempt vehicle is registered and no modification to the vehicle, there is no requirement to file an exemption application for the balance of the five-year exemption term. If there is a change in tax town or any modification to the vehicle, a new M-65MV Claim must be timely filed.
