CHRISTOPHER J. PALMIERI
CHRISTOPHER J. POULOS

Town Manager

MARK J. SCIOTA
(860) 276-6200

August 26, 2021

The State of Connecticut announced that Southington is now in the red or high transmission category for the second consecutive week. Because of the increased number of COVID-19 cases, there is an immediate need to implement safety protocols for Town buildings and Board of Education Central offices, including the use of masks/face coverings.

Therefore, at the direction of the Town Manager, starting August 30, 2021, all Town of Southington employees and members of the public, whether vaccinated or not, are required to wear a face covering/mask when entering Town buildings and Board of Education Central offices. This directive will remain in place until Southington has two consecutive weeks where it is not in the red or high transmission category.

Respectfully,

Mark Sciota, Town Manager
Town of Southington

“City of Progress”
