Dear Mr. Lavallee,

We are writing in support of our neighbors, Robert and Jenn Zangrandi, and their proposed plan to add an extension to their existing garage located at 28 North Summit Street. My wife and I have lived at 18 No Summit for over 38 years. Rob and Jenn have been the best of neighbors. They have done nothing but improve the property since they have moved in. Since we are the only surrounding neighbor that would be directly impacted by this project I can tell you that we are in full favor of it. It can only improve the property as submitted, following the setback from the existing garage. Pushing it forward 20 feet from the property line would be detracting from what is a very nice backyard.

Should you have any questions please feel free to contact me at 860-620-4903.
