Re: IW #1288- Site Improvements

Dear Applicant:

Please be advised that at their Regular Meeting of February 4th, 2021 the Southington Inland Wetlands Agency voted to approve your inland wetlands permit for the above referenced project with the following stipulations:

1. The limits of disturbance shall be as noted on the plan.
2. Additional buffer plantings shall be provided per the Assistant Town Planner's recommendation.

Respectfully,

David Lavalley,
Assistant Town Planner/ Environmental Land Use Planner
