Dear Mr. Lavallee,

We are writing in support of our neighbors who reside at 511 Curtiss Street, Southington, CT. We have been informed of a proposed plan for an extension of the current house in order to construct a garage and additional living space located above. In order to complete their proposed plan, a variance has been applied for and is requested.

We are located at 489 Curtiss Street. We have lived in this home for 35 years. Our property line is adjacent to 511 Curtiss St. and area of construction. We are in support of granting the necessary variance and have no objection to this construction.

Sincerely,

Gary Pisarsky
