Southington Planning and Zoning Dept.

To whom it may concern,

My name is Chris Sumner and I live across the street from the Dynder family. I understand they are looking to replace their existing shed with a new shed which happens to be bigger and will move 8 feet closer to the street as proposed. I also understand that the current and proposed site are approximately 10 feet from the property line, which is not within the current allowable guidelines. For the record, I have no issue with the Dynders replacing their existing shed with a new 10x18 shed in the location proposed.

Sincerely,

Chris Sumner
