RE: The 6 proposed water services at 300 Welch Road in Southington, CT, a.k.a. S #1327.

To Whom It May Concern,

The Southington Water Department has reviewed the information recently submitted on the project referenced above.

Based upon the information supplied, our superintendent has decided that you may proceed with your project without need for a further review or approval by the Board of Water Commissioners. When ready, please come to our offices to arrange for your tap, inspection, and meter set. Upon installation of the taps, the Southington Water Department requests that individual plot plans be provided for each lot.

If you have any questions of me, please feel free call us at the Southington Water Department. The phone number here is (860) 628-5593.

Sincerely,

Damian Chuchro
Engineering Technician
