RE: The proposed water services at 1608 Meriden Waterbury Tpke. Road, Southington, CT. a.k.a. SPR 1818

To Whom It May Concern;

Based upon the April 28, 2021 information and plan received for your project referenced above, we require that the application be revised to provide the following:

1. A site plan which shows the existing water services onto the property Copies our current location cards for the services on the property are attached.
2. A site plan which shows a note saying, "All existing water services must be disconnect at the water main before any demolitions unless approved for reuse by Southington Board of Water Commissioners".
3. A site plan which shows proposed water services and all other proposed utilities.
4. The previously request water fixture information for each part of the project.

After your application is revised to provide the additional information, please submit 1 copy of your revised plan to our department for a further review by our staff. Once the staff approves your project, you will be notified if and when your plans have been scheduled for review by the Southington Board of Water Commissioners.

If you have any questions or problems, don't hesitate to call me at the Southington Water Department. My office phone number is (860) 628-5593.
