I live at the top of Meriden ave and the traffic on our road and on Meriden waterbury tnpk at this intersection is already too busy. It's hard enough getting out of our driveway let alone having a car wash on the corner. Which tells me that the cars for the carwash will be lined up on Meriden ave in front of my house which will make it even harder to get out of our driveway. There's a car wash right down the street I find it unnecessary to have another so close I hope you would reconsider this proposed zone change.

Thank you
