

# STATESMAN MULTI-CAR GARAGES

## Statesman Garage

Function, strength, durability. The Statesman Garage is a vinyl sided, one-story structure built with the same high quality standards that we insist on. This model is ideal for matching vinyl sided homes. Maintenance-free in every aspect. It comes standard in 10 different colors with crisp clean aluminum trim. A cement foundation is required.

Siding types available: vinyl

22' x 22' Statesman Garage
